SUMMARY

Mechanical Engineer with a tenacious attitude. My strength lies in my ability to learn, and I stay the course until completion. I excel with collaboration, and am highly adaptable. Based in Cleveland, Akron, or Athens.

EDUCATION

Ohio University | Athens, OH Anticipated Graduation: May 2027
Bachelor of Science in Mechanical Engineering
Certificate in Lean Six Sigma GPA: 3.837
Extracurriculars: Theta Tau Professional Engineering Fraternity

St. Ignatius High School | Cleveland, OH Graduation: May 2023
GPA: 4.343

EXPERIENCE

Love Our Community Thrift | Hartville, OH July 2024-September 2024
Processing and Organizational Lead

- Managed inventory, pricing, and organization of overflow items, optimizing space and accessibility.
- Delegated tasks to volunteers and collaborated with team members to streamline stock handling.
- Assisted in layout optimization and pricing updates to maximize inventory turnover.

DeHaven Law | Green, OH June 2024-September 2024
Law Intern

- Cataloged all active cases and reorganized the filing system and office layout to enhance efficiency.
- Executed paralegal tasks, including creating timelines of SMS messages, proofreading documents, and filing papers with the city.

Blue Sushi Sake Grill | Westlake, OH June 2021– September 2023
Curbside Manager and Server's Assistant

- Developed and implemented robust systems for curbside delivery service, enhancing organization and workflow.
- Gained valuable customer service and communication skills while interacting with patrons.
- Trained new employees, fostering a collaborative environment and ensuring adherence to service standards.

School of Rock | Westlake, OH Oct 2012-Current
Bandleader and Musician

- Led multiple bands, and acquired invaluable team working and networking assets
- Conducted research in audio engineering, and achieved proficiency in Ableton Live and Premiere Pro; which led to the recording, production, mixing, mastering, and publishing of my band's work.
